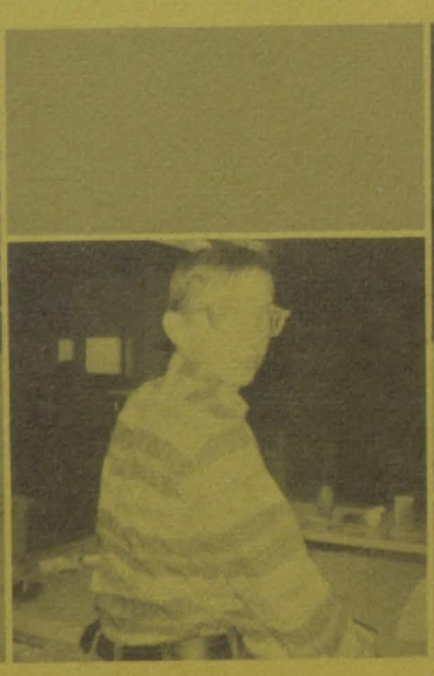
CHESTER HIGH SCHOOL—

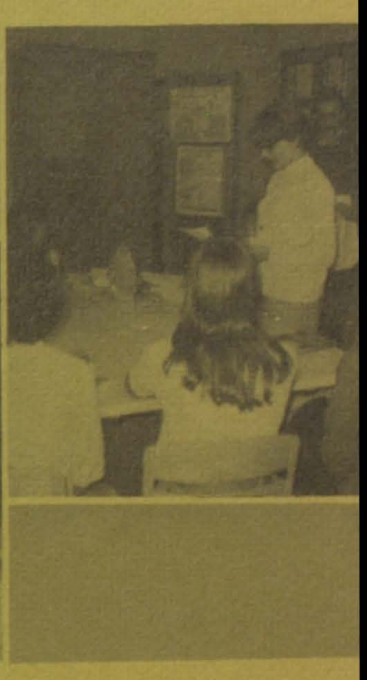
CHESTER, NEW YORK

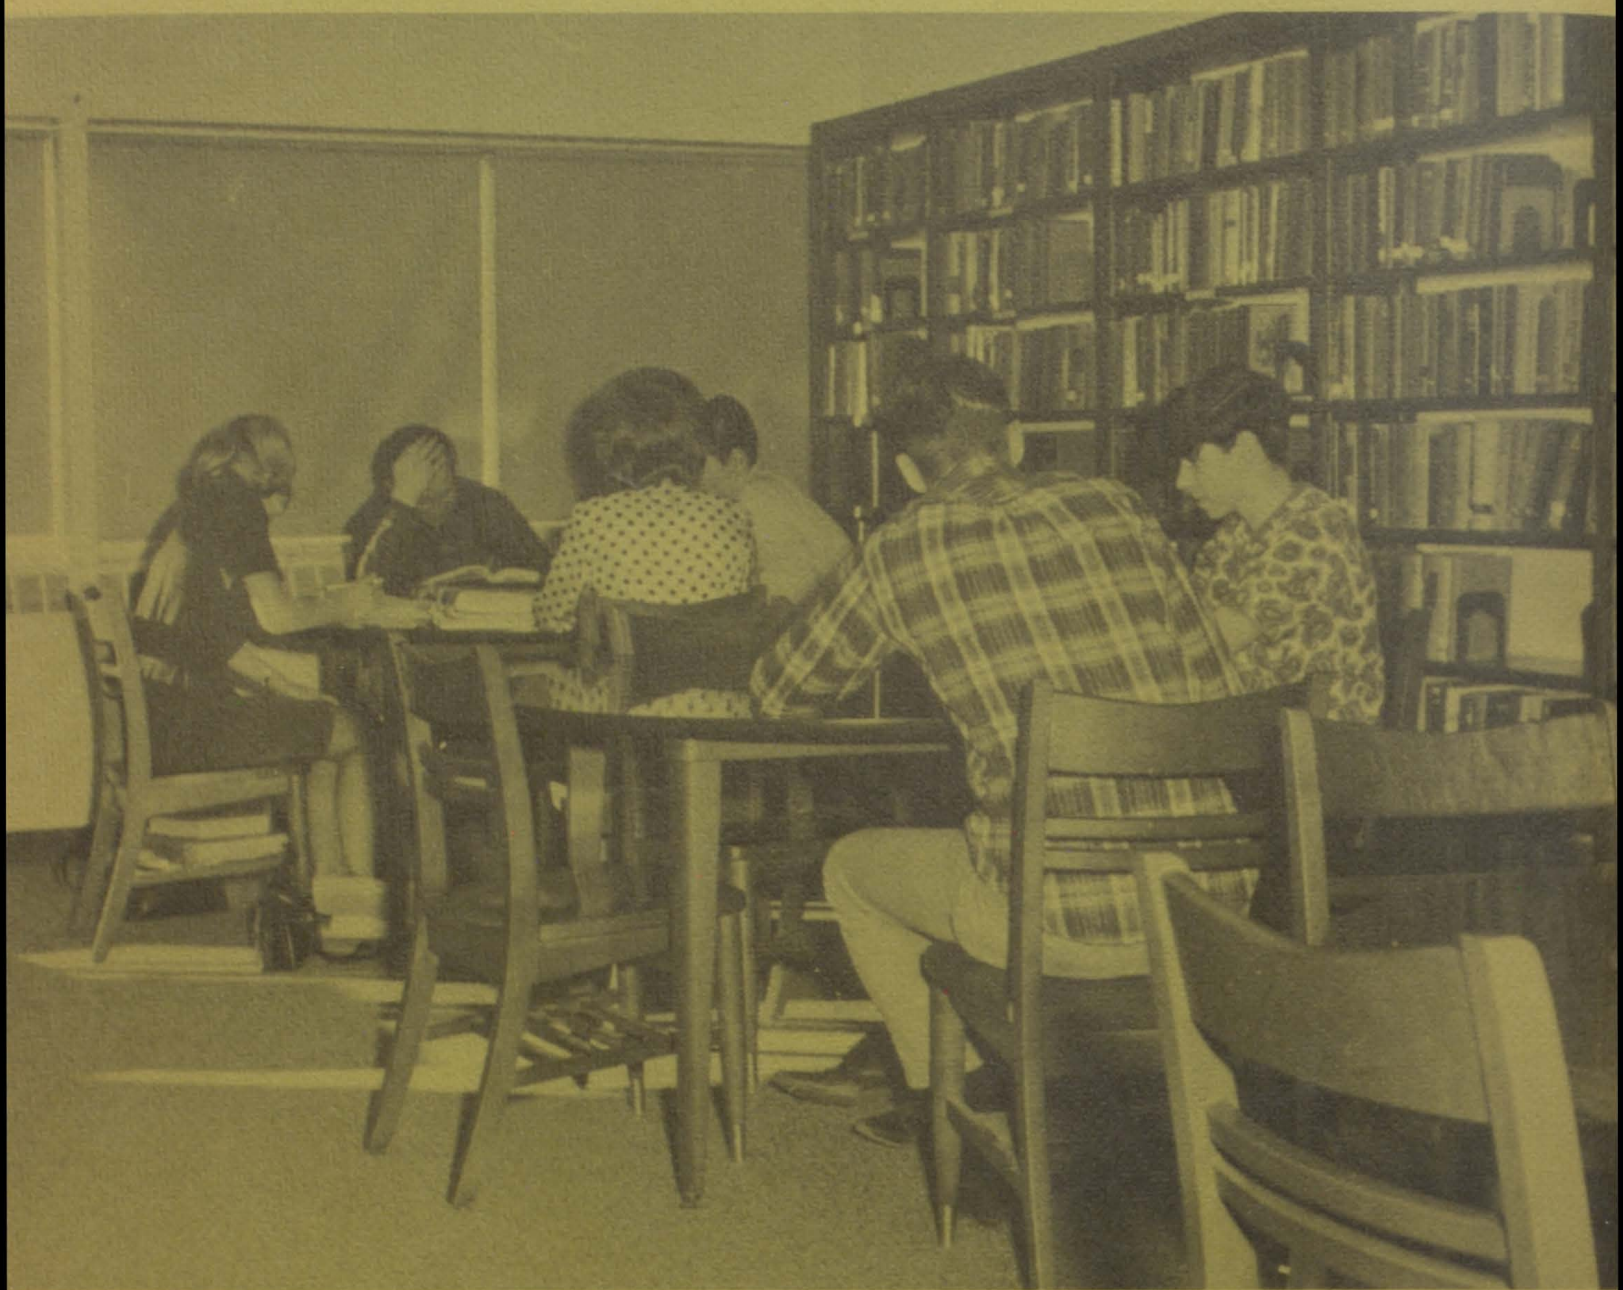
THE BITS AND PIECES OF A

SCHOOL YEAR ARE LIKE A FINE

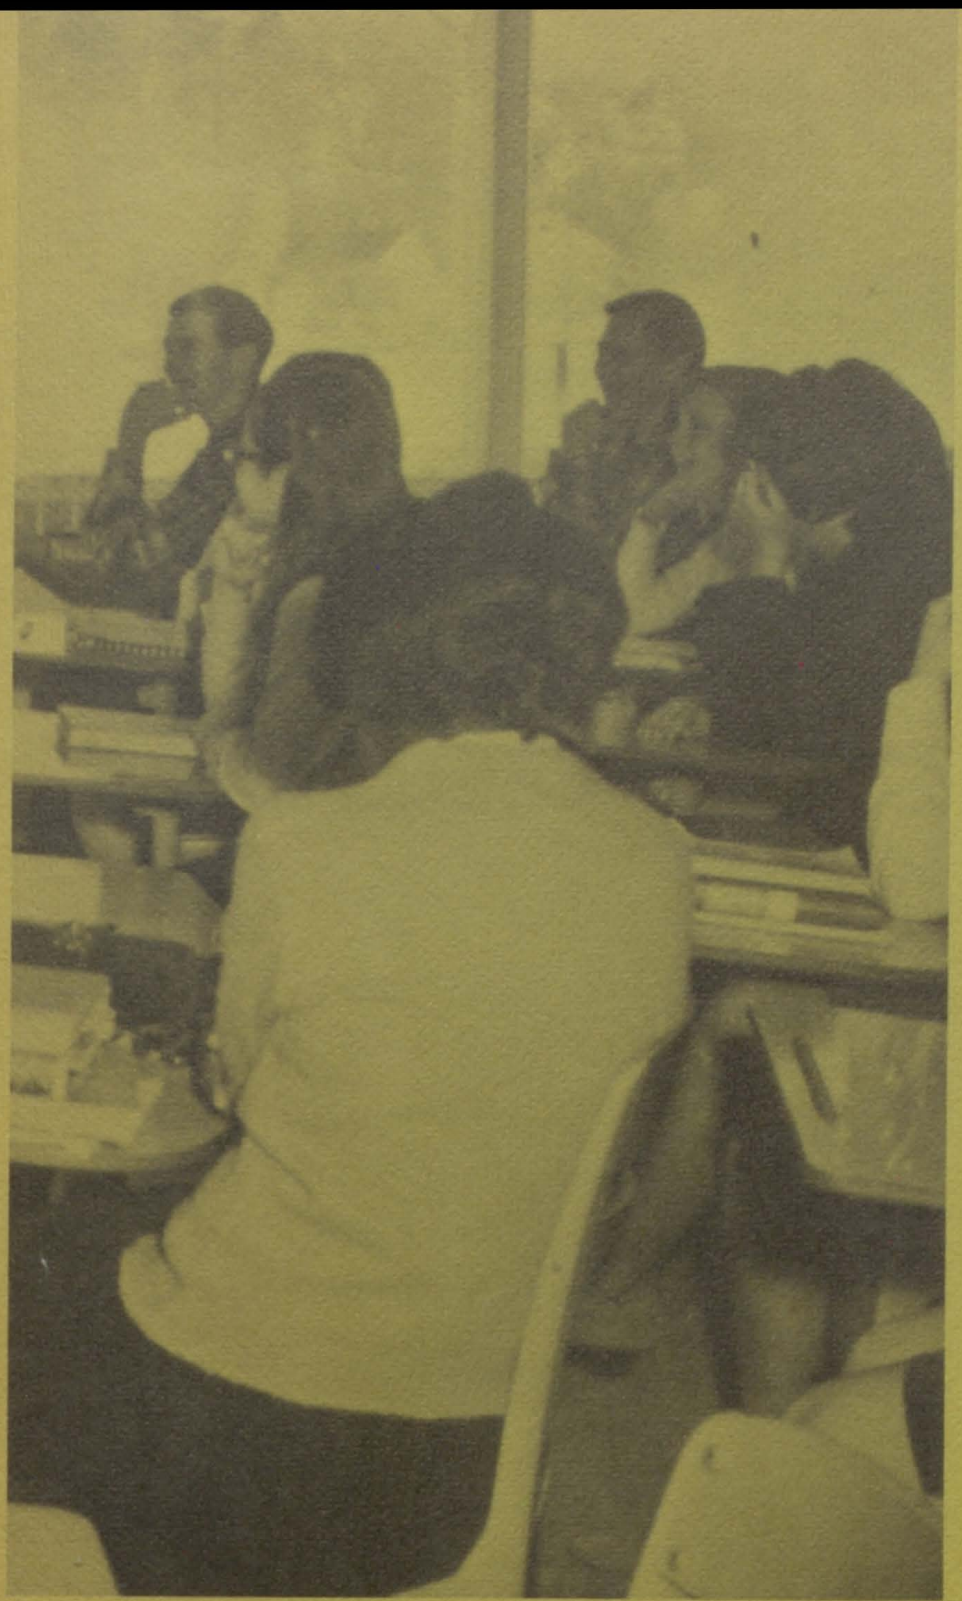
MOSAIC . . . COMPOSED OF . . .

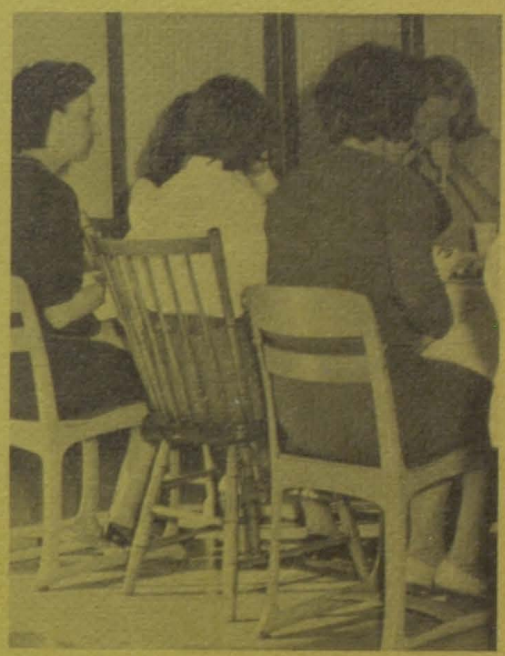




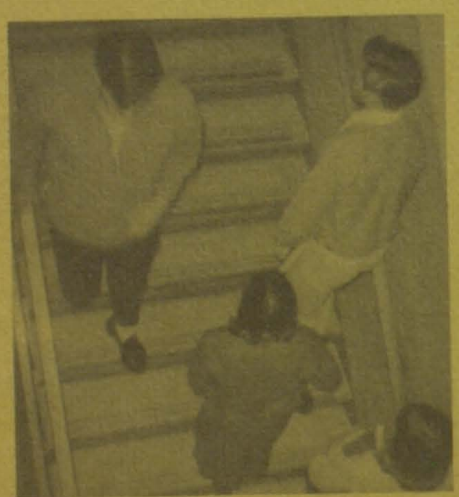


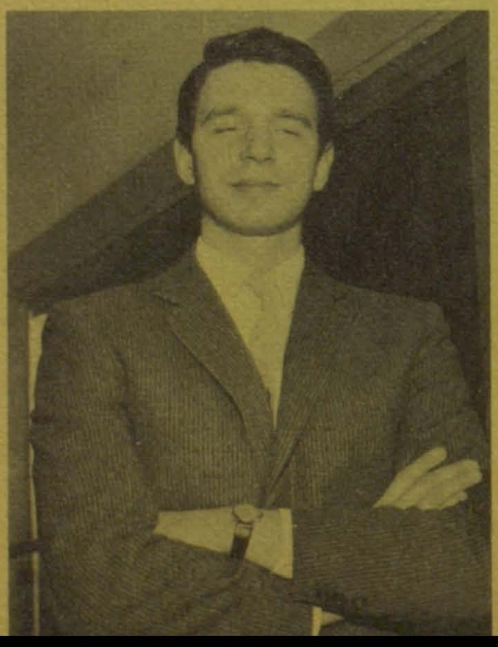
. . . WORK AND STUDY . . .

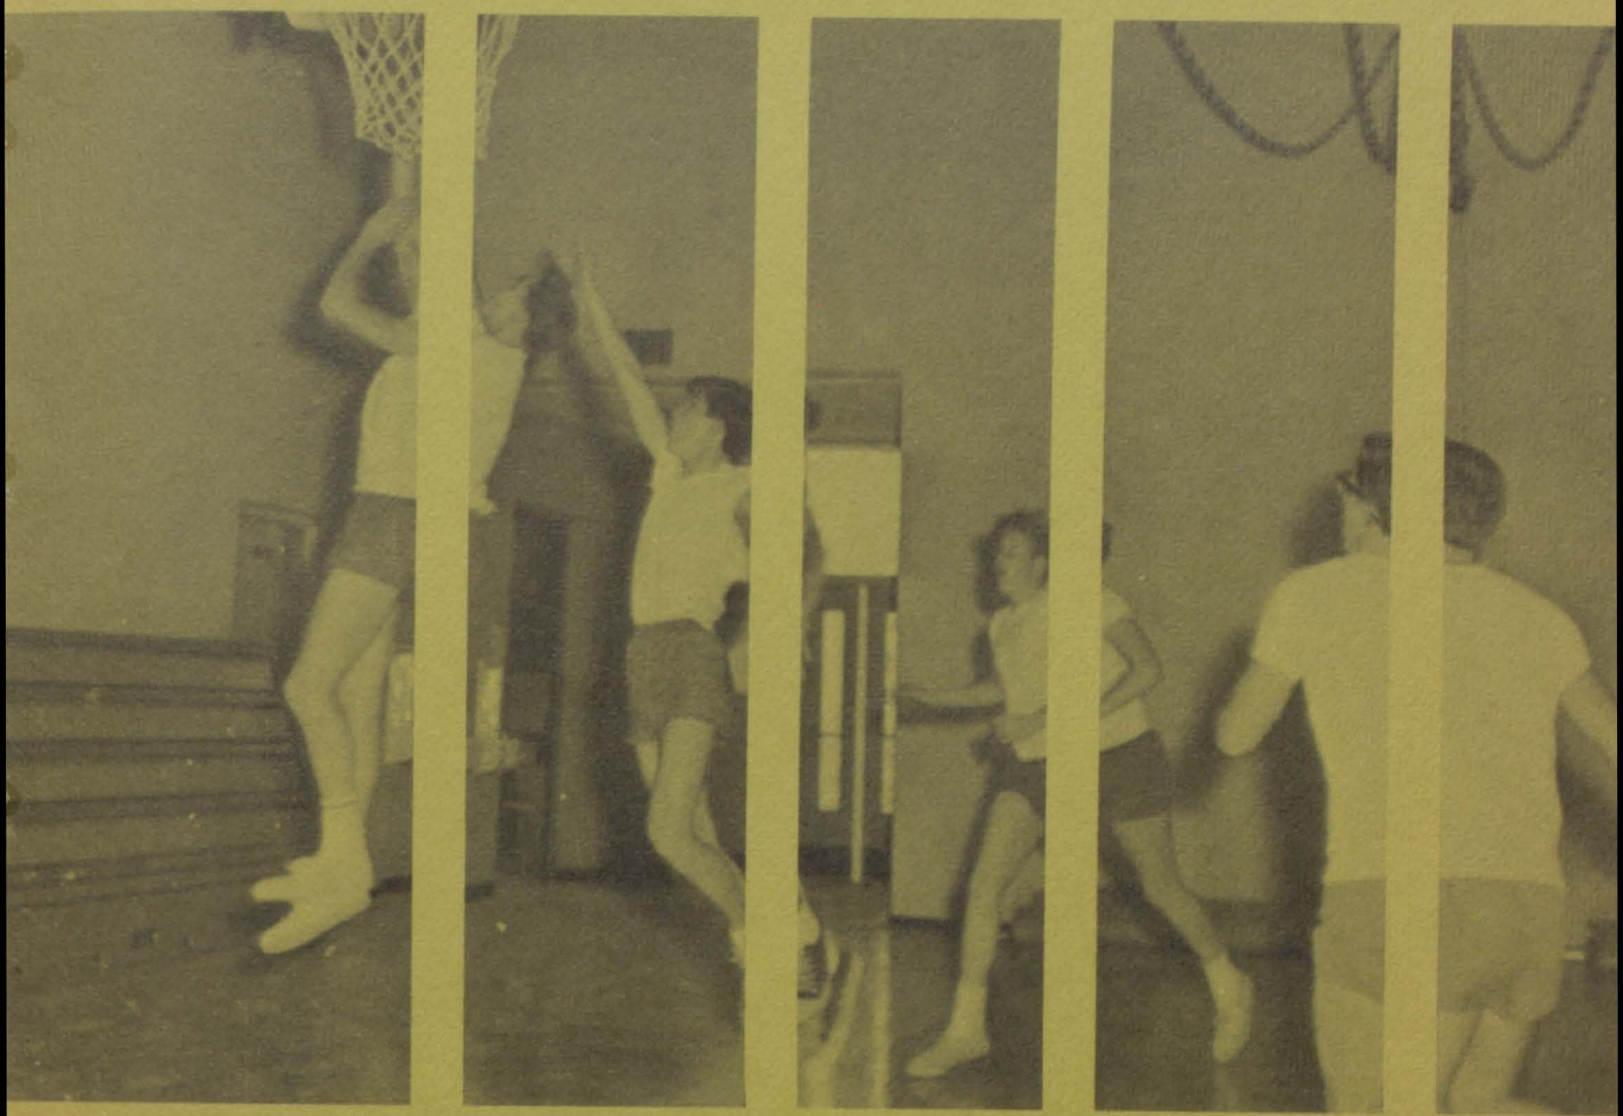




FUN AND FRIENDSHIP

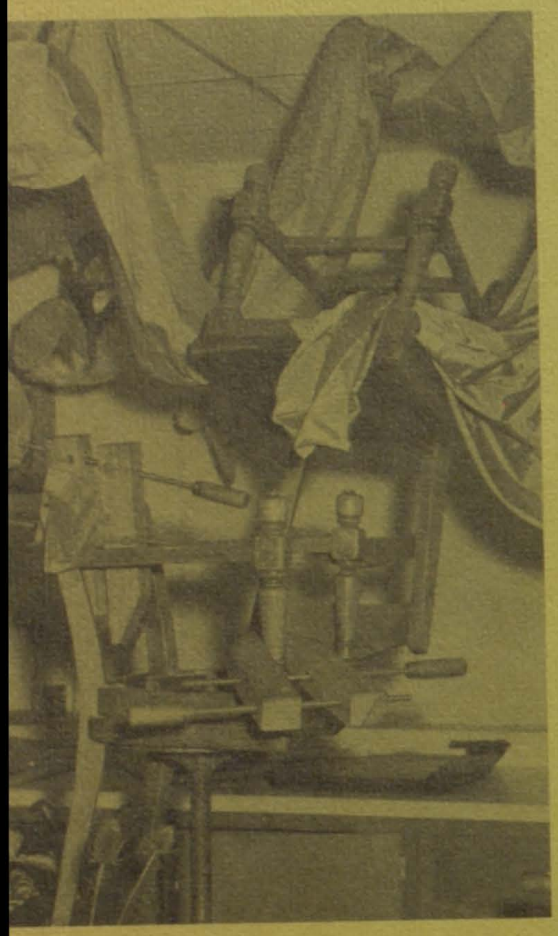




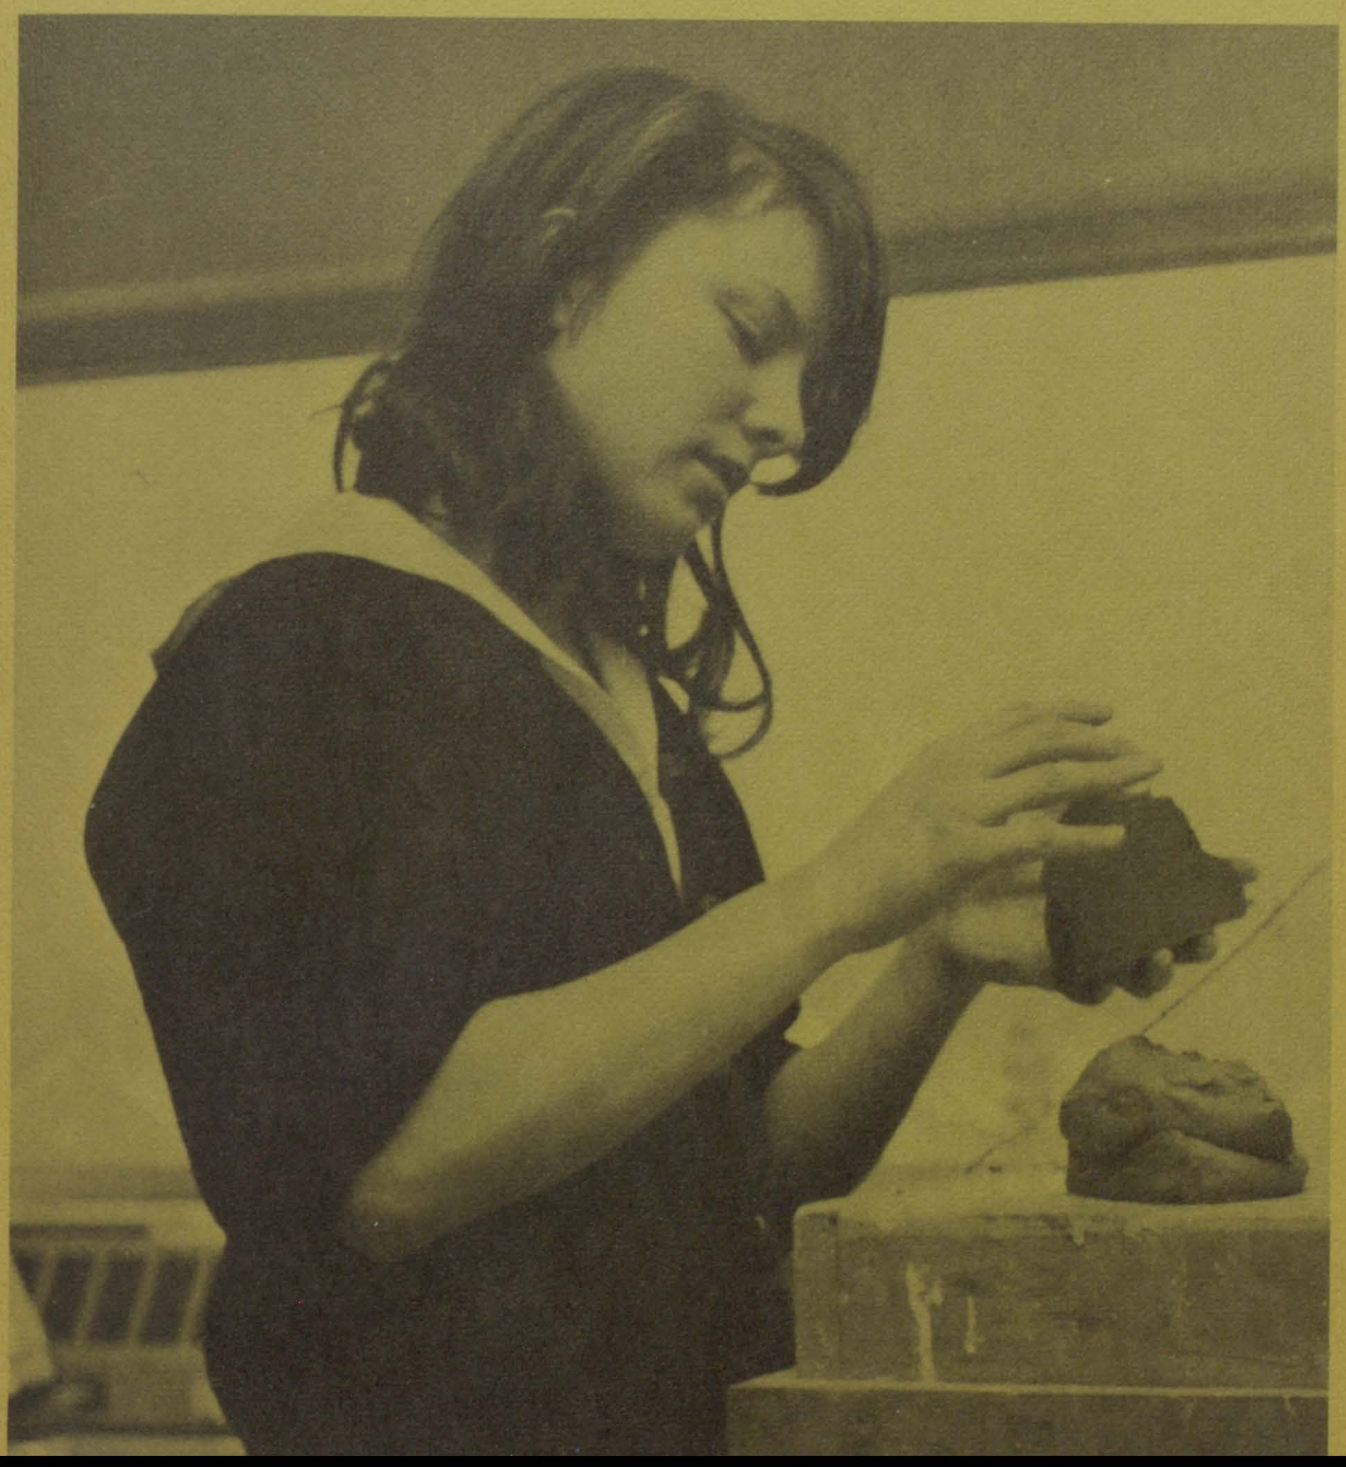


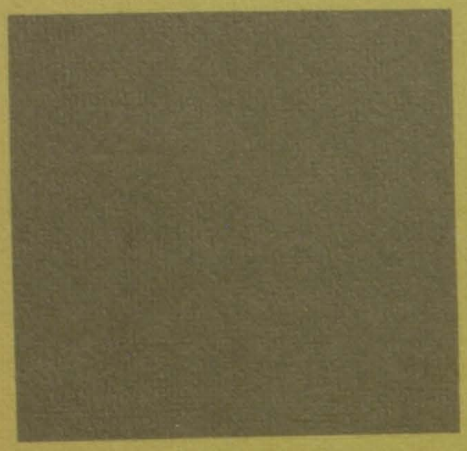
ACCOMPLISHMENT

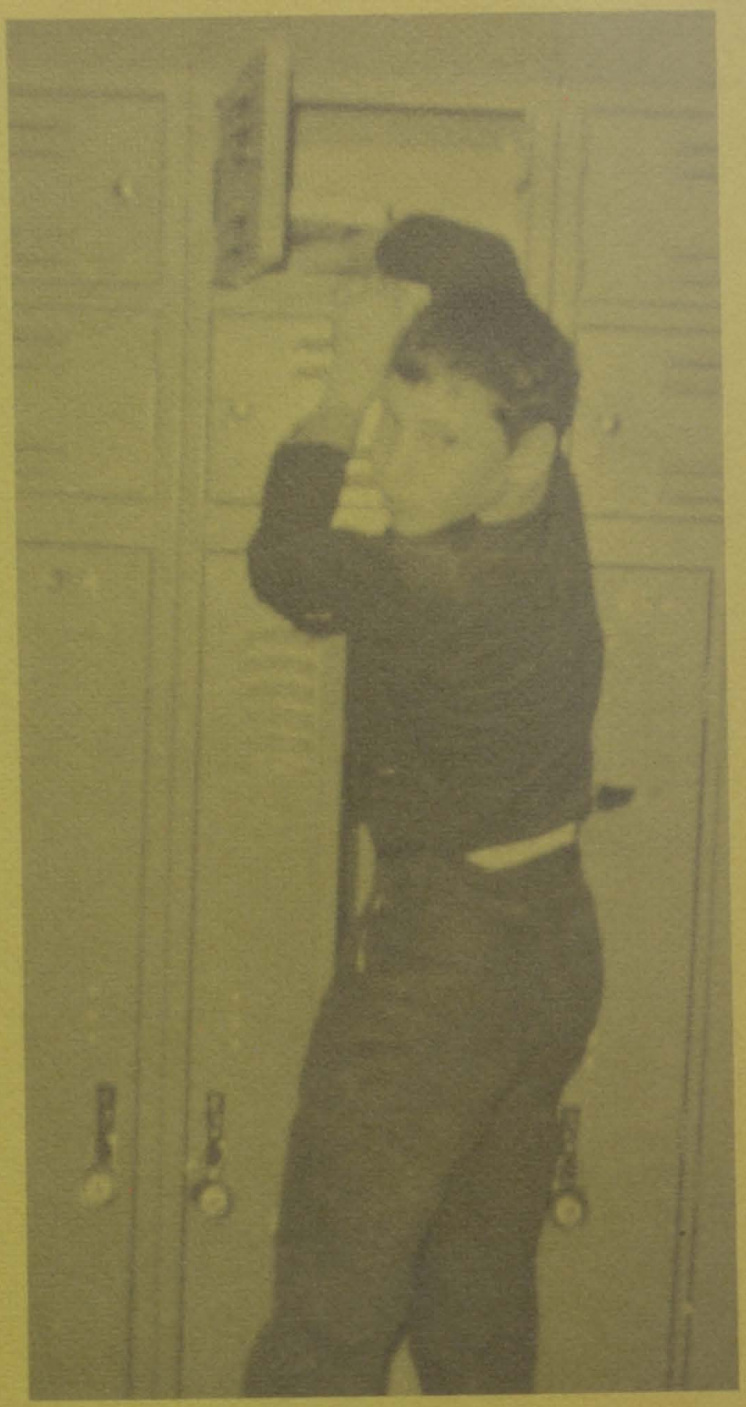
. . . TENSION AND RELAXATION . . .



. . . CREATIVITY . . .







. . . SUCCESS AND
DISAPPOINTMENT . . .

Another school year is about to become a memory. Our Seniors leave--taking part of us with them to be replaced by another, larger class. It has been a joy to work with the various classes; some of the work such as the Student Government Constitution will be a lasting work. To those who are leaving--good luck; to those who are taking their place--welcome.
